your consultation

Consultation times obviously vary based on your individual situation and condition.

Dr Moisuc typically allocates 30 minutes for a new appointment, and 15 minutes for a review.

Dr Spilsbury typically allocates 60 minutes for a new appointment, and 30 minutes for a review.

Occasionally, delays are unavoidable and we will do our very best to minimise your waiting time. If possible we will contact you ahead of time to advise of any delay, and you are also welcome to phone ahead.

your privacy

Our practice complies with the Privacy Act 2001. Your medical record is a confidential document and is only available to authorised staff members. Information pertaining to your condition may be forwarded to a third party only as required and if pertaining to your symptoms / condition. Please feel free to contact us if you have any concerns regarding our Privacy Policy.

Our practice upholds a reminder system pertaining to follow-ups. Please advise us if you do not wish to be involved in this reminder system.

script requests

Scripts can only be written for current patients or at the Doctor's sole discretion. An appointment may be required to fulfill this request.
